PREFACE

This is an attempt to enumerate the descendants of **GEORGE LAWSON McROY and BETHA CORNELIA (OLIVER) McROY**, their ancestors and their ancestor's descendants.

If you know of any changes or additions, or someone with additional information, please send the information to the author. I am especially concerned that the information in the brains of the elder members of the family is about to be lost. Please get this information to me, by letter or tape.

Researching family history is both exciting and frustrating. Countless hours may be involved in finding one bit of information. Several bits eventually lead to another ancestor. The work goes on and on.

I've relied on research from several other persons so that I can present as much information as quickly as possible. The list of "credits" below include the works I know about. Documentation is included in the notes at the end of each chapter.

Much of my original work is taken from family records and census records, which reports no maiden name for the wives. Until I can find a marriage license, efforts are useless to trace further back on the women.

Summary of Ancestors

This chart presents close ancestors of **LAWSON and BETHA**:

? McRoy and ? ?	?? and ??	George Mouser Jr. and Phoebe Best	Nathan Nations and Elizabeth Brown	? Oliver and Sarah ?	John Coker?& Lidy Davis?	Samuel Kidd & Rebecca Boone	Clifford D. Westerman and Francis Fuggitt

The McRoy/Mouser family is the same for any of Lawson's siblings. The Oliver/Kidd family is the same for Betha's siblings. The other side of the family is related only through the marriage of Lawson and Betha, except for those occasions of inter-family marriages.

How to Read the Listings

Each "family" is represented by a "chapter." Chapter 1 details the children of Lawson and Betha and their children's descendants.

The "parents level" has two chapters which detail the parents of Lawson (chapter 2) and the parents of Betha (chapter 3). Lawson's and Betha's siblings and their descendants are detailed there.

The "grandparents level" has four chapters. The first two (chapters 4 and 5) are about Lawson's two sets of grandparents. The next two (chapters 6 and 7) are about Betha's grandparents.

There are eight possible chapters at the "great-grandparents level," but some are missing because no information is available. The first four (chapters 8 through 11) are reserved for Lawson's great-grandparents. The second four (chapters 12 through 15) are for Betha's great-grandparents.

Sixteen chapters are possible on the "great-great-grandparents level" and thirty-two on the next level. The missing chapters are the ones which I haven't researched or the ones whose research hasn't been furnished to me. Numbered chapters stop at 63. Appendices contain the information available beyond the great-great-great-grandparents level, if any.

Watch for the "See Chapter" links to other material. For example, Chapter 1 refers to Chapter 2 for Lawson's parents and to Chapter 3 for Betha's parents. Those chapters refer back to Chapter 1.

Children are indented under their parents listings in an outline format. In many cases, the name is preceded by a code number.

GEORGE WASHINGTON McROY
1 GEORGE LAWSON McROY
1-3 ADELL McROY
1-3-1 FAYE ANN STEWART
1-3-2 DANNY STEWART
1-3-3 DICKEY STEWART

The code letter **1** before the name **GEORGE LAWSON McROY** indicates he is the first child of **GEORGE WASHINGTON McROY**. Each descendent of this first child begins with 1- (Adell McRoy is 1-3). An additional number is added with each generation and incremented with each child (-1, -2, and -3 as shown for Adell's children).

The names of parents and their descendants are capitalized. Children's names are indented in outline form. Questionable descendants and non-descendants (such as adopted children) appear after natural children. All names in the family listings which appear in the index are in boldfaced type for easy location.

FORM OF LISTING AND ABBREVIATIONS

Here is the information I try to include in each listing:

FULL NAME OF THE DESCENDENT (female's maiden name only)

b. -- date of birth and location

d. -- date of death and place

bur. -- cemetery in which buried.

m. -- date of marriage and location.

Spouse's name, date-place of birth, date-place of death, burial.

Children of the Marriage

(Note: A repeat of the marriage and children information if there was more than one marriage. The abbreviations become m1., m2., etc. to indicate the marriage number.)

Address. Dated when known. The word "Last" means I don't know the age of the address.

Other abbreviations include:

_____ -- information unknown, ___/___/___ is date unknown.

c -- before a date is "circa," meaning "about"

chrs -- christened

Cemeteries

Here are the abbreviations for cemeteries.

Forest Hill -- Forest Hill Cemetery, on the Camden Highway out of Hope, AR. At the Hempstead County/Nevada County boundary.

Avery's Chapel -- Avery's Chapel Cemetery, Hempstead County, AR.

Rose Hill -- Rose Hill Cemetery, Hope, AR.

Counties and Locations

When reading the locations, remember that many counties were split and boundary lines changed, usually in the late 1800's. In many references, information which appears to be a city is actually a county or township.

Here are some of the most relevant changes:

- * Hempstead County, Arkansas included what is now most of Southwest Arkansas in the mid-1800's. Records go back to 1845. Nevada became a county in 1871.
- * Clark County, Arkansas included most of the central section of Southwest Arkansas, including Pike County. Records go back to 1821.
- * There are no Pike County marriage licenses or other records before 1895.

CREDITS and SOURCES OF INFORMATION

The information in these documents was compiled into this form by Danny A. Stewart.

McRoy/ -- **Mouser/Nations** (Lawson's side)

The structure of the GEORGE LAWSON McROY family comes from Adell (McRoy) Stewart. My brother, Dickey Stewart, researched most of the information in Chapter 4, "The Family of Henry and Martha McRoy."

A Genealogy of the Mouser Ancestry by LaFrona Foshee (Mrs. Ben) Mouser (Copyright 1978, published by Metro Press, 1223 Linwood Blvd, Oklahoma City, OK 73106). Mrs. Mouser's address at the time was Spade TX [she moved and is now deceased]. The book is out of print. The revised edition is listed next!

The History of the Mouser Family From Oeschingen, Germany to America, 1751-2014, Volume I and Volume II, by Barbara Mouser Nathman (published December 2014). Address: Barbara Nathman, 18-72 W 947 Road, Vian, OK 74962. Mrs. Nathman is listed on page 1158 of Volume 1. Her listing does not appear in this, my notebook, because I do not enumerate enough generations for her to appear. See **Appendix E** for how this book works with my notebook.

A Biographical History of Southwest Arkansas, Volume I, published by Southwest Arkansas Genealogical Society, 1986, was found at the Columbia County Library. Some of the information on the Nations family comes from Pat Weaver, 1725 Dogwood Drive, Magnolia, AR 71753.

Oliver/Coker -- Kidd/Westerman (Betha's side)

A big source of Oliver family information is Claude Oliver, who compiled Oliver History, July 1, 1974. Some of the information on older generations was furnished to him by Myrtle (Oliver) Galloway and was evidently given to her by "a friend." This includes the names of Lidy Dorris Coker and Sarah Oliver. I have been able to duplicate almost every detail of this information through Census and marriage license research.

I researched the names of the parents of Patsy Kidd and beyond. Ronald Sweat furnished me with information he and Kim researched and found, much of which was from papers in possession of Howard Kidd and the Bible of Sarah (Westerman) Kidd, which is in Howard Kidd's possession.

Paid Researchers, Libraries, Etc.

Many books and census records were found at the Clark County Library in Arkadelphia, the Craighead County Library in Jonesboro, AR, the Camden/Ouachita County Public Library in Camden, AR, and the public library in Magnolia, AR.

Information on marriage licenses, land ownership, etc., is available at the courthouses in Hope, Arkadelphia, and Prescott.

Information on cemeteries, Civil War, marriage licenses, etc. and the 1880, 1900 and 1910 Arkansas Census was found at the Southwest Arkansas Regional Archives, 1874 Courthouse, Old Washington Historic State Park, Washington, AR. Special thanks to Lucille Westbrook, who helped me with her knowledge of several families.

Family History Notes:

George Hill (1-2-7) has in his possession a pair of gin scales which had belonged to George Washington McRoy, father of George Lawson McRoy.

George Lawson McRoy grew up in the Centerville area of Hempstead County, near the Waddle family (See "The Family of Elmer Elgery Stewart and Eunice Mae (Wilson) Stewart," chapter 3).

Betha worked at lunchroom in Delight on WPA and worked at the basket mill Hope for one year. Lawson worked later as a night watchman at the sawmill.

Lawson and Beth never owned their own home. Adell was born near Stelltown. She's not sure where Minnie and Ruth were born.

Around 1925 they moved to the road which goes from Stelltown toward where Sue (Hill) and Charles Henderson live. Next, they moved to the Pisgah community and lived in several houses there over a period of 15 to 17 years. Three of four years were spent at three places in Delight: (1) where the road turns to Pisgah in an old wood house (a brick house is there now), (2) cross the railroad track a little further down and turn right, about the second house, and (3) back to the highway just north of the first Howard mill (?). One of these is the "Matt Nolen" place.

They moved from Delight to Vester McRoy's house near Avenue B, then somewhere else in Hope on the Rosston Road. They went back to Avenue B in late 1944 or early 1945, near Winemiller's store. Lawson died at that house.

Adell remembers first seeing Alvin at one of her friends house. The Bradford's had lived at Delight and moved to Pisgah. Adell, along with Juanita Slaton and others, would go see the Bradfords and Willie would go to the McRoy's most every Saturday night. Around 1942, Alvin was taking Harry Owens from Prescott to Delight to see Vanita (Willie's sister) Pipkin (they never married). Alvin started going with one of the Bradford girls.

Adell and Alvin married just five days after Lawson died in 1945 and Betha moved in with them. In 1946, they moved to Prescott. Alvin was working at 282 Auto Service and was commuting to Prescott each day. At first, they lived on West First Street North downstairs in a two-story apartment (near what is now Hildrebrand's Body Shop). Next, they went to the Scott place, next to what is known today as "Jett's Place." About two years later, they moved out to make way for the brick house which is there now. Then, they moved to a "bungalow" on Highway 24 and the end of Ash Street, where "Jif-E-Mart" is now located (former Cox Valu-Pak). They bought a house (was Buck Burley's house) and moved it to East Second Street North from the Redland Community. Alvin's Uncle Clyde Snelgrove remodeled it. Roy Loomis was running the John Deere dealership where Alvin worked and had taken the house as a down payment on a tractor. Loomis helped Alvin get his first loan for the house.

Hill Family Notes

The Hill family has several intermarriages with the McRoy family and in-laws.

Family History Notes:

Ira and Ida are twins. Clyde Tullis and Roy Tullis are brothers. Leonard? Johnson and Olen Johnson are brothers. One of Chloe (Stone) Fain's daughters married Gay Nivens.

Dora's children were raised by Willie and Etta. Dora gave Betha an iron baker (flat skillet) as a wedding present. It is still used by Betha's daughter, Adell, to fix bisquits each morning. Sam Stroud, Vester (Stroud) McRoy and Jim Stroud are brothers and sister.

Update to 11 Ida Margaret McRoy family furnished to me by April Kay (Collie) Hoover on 9-8-2001..

Research Notes:

Hempstead County AR marriage license dated 1/6/1867 by J.D. Ragan, Book B, page 119: George W. McCroy, 27, to Margaret A. Mouser, 19.

Dates of birth and death of G.W. and Margret McRoy appear in a Bible in the possession of Adell (McRoy) Stewart, who furnished most of the outline of the family. Other outline information, especially that of Eb's family, if from The Oliver History, July 1, 1974. A Genealogy of the Mouser Ancestry, lists Eb's date of birth is 12/30/1882, Vickie Rivers as the wife of #9-2-5 Danny Hatfield, and includes #9-3-2-? EARCLYD HATFIELD and wife, but misses several of the other children.

According to 9-2 Mercedes (phone conversation 2/4 and 2/11/1990):

- * John and George Washington McRoy were brothers.
- * George Washington McRoy was her grandfather.
- * John and "Aunt Mel's" children are the names listed.
- * A sister to John and George probably married George or Andy Ayers/Airs/Airas and one child, George Ayers, who never married. The son worked for a railroad in the Shreveport, LA area.
- * Another McRoy brother killed a man when he was young and moved away to avoid being hanged.
- * This information coincides with the 1850 Census listing if Mary Ann is the girl and James M. is the boy.
- * Mercedes father, Eb, told her a story of his grandfather (Henry) selling his farm, but never got paid for it. Evidently the buyer signed a quit claim deed and left with the money but without paying Henry.
- * George Washington McRoy was a farmer, and later either owned or operated a cotton gin at Hope.
- * The "Old McERoy Farm" is on the Rocky Mound Road near Hope, next to the Mouser's place.
- * They were evidently members of the Oak Grove Church.

1880 Hempstead Co. AR Census:

Ayres, George L., 42 (c1838), farmer; TN VA VA and Mary, 37 (c1843), wife, TN SC VA.

This may be the parents of Andy Ayers, see Chapter 4. Other census information is also in Chapter 4.

Other Notes:

Reference 11-5: Horace Benjamin Graves (b. 2/12/1924 Blevins AR d. 10/3/1984 Harlingen TX) had a son, Don Graves. Horace then married Maria Guadalupe Garcia and had three other children. It is not known whether or not Don is V.D.'s son. (e-mail in 1997 to Danny Stewart from jamesm3651@aol.com, James E. Matthews (not related to family), 6421 N 3rd Street, McAllen TX 78504).

J. Lindel Campbell and family (see 5-4) e-mailed to me by Randy Johnson [randygjohnson@alltel.net] on July 16, 2001.

Family Notes:

Mercedes (McRoy) Hatfield remembers her father, Eb, saying his grandmother was Martha. She also remembers a story about Eb's grandfather (Henry) freeing his slaves. One former slave, a boy about age 18, wouldn't leave with his parents; instead he stayed with the McRoy's until the McRoy's moved to Pike County (Pike County didn't "allow" black persons). See the "Govan" story, below!

Adell (McRoy) Stewart remembers that George Ayers was a good friend (and 1st cousin) of her father (Lawson McRoy) and were about same age. When living in Arkansas, George lived on the Ayers' home place, near the Ayers Cemetery on the Rosston Road SE of Hope AR. Adell believes that George never married. He worked on a train in the Shreveport, LA area and always had a "good car."

Also from Adell (McRoy) Stewart: Levi Martindale had a son, John, and a daughter. George Ayers brought the daughter to Arkansas when he visited; they probably lived in Louisiana.

Andy Ayers and Melvina Mouser are buried near each other in Ayers Cemetery.

Melvina Mouser lived next door to the McRoys.

Research Notes:

The date of death for #4, John H. McRoy comes from a Masonic marker at the Forrest Hill Cemetery which reads "J.H. McRoy, born Mch 26, 1843 died Oct 1, 1899." At the base of the marker is a flat rock with "G.T.C." carved on it. There's another piece of weather-worn marble with no visible markings. There are many unmarked graves. This is the cemetery where George Washington McRoy and Margaret Amanda (Mouser) McRoy are known to be buried.

The 1880 Census of AR (Soundex) has only one McRoy in the state --Henry McRoy in the city of Fayetteville.

Govan Story:

In August 2000, Robert GoVan (naVog@webtv.net) contacted the author about the slave story. My father was born in Prairie County, in 1908. My grandfather was a slave, b.1849 and a former slave in 1880 Arkansas. I was searching to see if grandfather had any siblings when I found: George GoVan, b. 1847, living in 1880 Nevada County. My father has a brother b.1873 named Lawson. My fathers' middle name is McRoy, his father made him promise to give his son the middle name McRoy... Why? Because there was a person named McRoy who was good to my grandfather and his people and we keep the name to honor him. So here am I, Robert McRoy GoVan. My dad Frank McRoy GoVan. Could it be your people my grandfather was talking about??? My grandfathers' name: Oliver McRoy GoVan

Mail from Lexeen Weaver, 2810 Durant Dr, Midland TX 79705 dated June 2, 2009:

E-mail: lexeen@suddenlink.net

... In my research of the Woodul family tree, I found a Martha Woodal (Woodul) who married a Henry McRoy September 5 1849, Bondsman Reddin McRoy, married by Issac Hunter J.P. September 5, 1837 County, Tenn. I also found that they came to Hempstead Co., Arkansas about the same time as Henry H. Woodul and lived in the same area.

If this is your Martha, her parents were George W. and Martha Woodul. George died in 1933 in Wilson Co., and Martha moved to Sumner Co. To live close to their oldest daughter. I cannot find the family earlier than 1803 in Sumner Co., and Wilson Co. Tenn.

If this is your McRoys, Martha's siblings, that I have found are as follows:

* Margaret Woodul (Woodvill) born @1798 married Orang Bearden in Wilson Co. Tenn moved to Hempstead Co. Arkansas @ 1850.

* Henry H. Woodul (Woodell etc.) Married Penelope O'Neal. Born Wilson County @1802, moved to Gibson Co. Tenn, then Hempstead Co. Ark. Between 1850 & 1860 (this is my branch of the family). They are buried at Harmony Methodist Cemetery and lived in Sutton.

* George Washington Woodul born @1812, Wilson Co. Tenn Married Amanada Allan, moved to Illinois after 1850. (From this branch comes a Lt Gov of Texas , Walter Woodul).

* Elisa Woodul listed as a sister of Margaret in the 1850 Arkansas census. I think she later married a Pipkin.

* There is evidence of that Matthew Woodul was either a younger brother or nephew of Henry, he also lived in Hempstead County.

* There is a possibility that Turner Woodul was also a brother, or nephew, he died before 1850 in Gibson Co., Tenn.

Research Notes:

John and Anney's dates of birth and death listed in Arkansas Methodist and quoted in the 1850 U.S. Census of Hempstead County, AR (locally produced). The listing is John, Anna, Mary, Lucretia, David, William, Margaret, and Melvina. John's occupation was listed as "farmer." They were living in Canuse Township, house number D67. In addition, a George Mouser, age 16 (b. c1834) was listed in the household as a "laborer." I'm not sure if this was an older child or a relative.

A Genealogy of the Mouser Ancestry listed John's date of birth as 8/23/1818 and date of death as 11/1/1892. It listed Anney's date of birth as 11/3/1818 in AL. It listed the date of marriage as 4/26/1836 and reported place of burial as Hall Cemetery, Hempstead County, AR. It also reported John's second marriage.

A Genealogy of the Mouser Ancestry (beginning on page 131) says John came to Arkansas with his parents in 1826. He received a land grant on 8/1/1837 for land near Mound at Rocky Ford. Late, he purchased land at Centerville and his father purchased his land. Along with John Ross, John established the Methodist Church at Oak Grove. The book says John was a wealthy man before the Civil War, owning a cotton gin. He was a charter member of the Green Masonic Lodge. John may have been

educated at an Academy south of Hope, Arkansas.

The 1860 Hempstead Co. AR Census lists John and Anna and children: W.B.D., Margaret, Melvina, malissa E., John D., Athe N.F., and Nancy Ann. They were living in Canuse Township. House D917.

#5 Amanda and #6 Melvina Mouser married brothers George Washington McRoy and John McRoy. Mercedes (McRoy) Hatfield remembers "their kids were like me and Adell" (McRoy) Stewart.

Followup:

Someone told me: "The Coker's and the Oliver's lived at the forks of the River," meaning Muddy Fork.

Research Notes:

The names and dates Fanny L. (c1851 TX), Sarah A. (c1853 TX), Patsy (1856 AR), Jesse (c1862 AR), Julia (c1864, AR), Richard Y. (c1866 AR), and William (1868 AR) are from the 1870 Pike Co. AR Census, page 240, house 141. The house next door, number 140, contains the future husband of Patsy.

The names (baby boy, stillborn), Jess, Richard, Josephine, Addiline, Fanny, Patsy and William Bing

"Bunk" come from Oliver History, July 1, 1974, as does the detail of the "Bunk" Kidd family.

The additional names and dates were furnished to me by Ronald Sweat based on informtion in "Sarah Kidd's book," a Bible estimated at 140 years of age which he looked at in late December 1990 and which is in the possession of Howard Kidd of Murfreesboro. Ron also furnished the information on Jesse Kidd's family.

The nickname "Buck" for Jesse comes from Mercedes (McRoy) Hatfield, who knew the husband of her "Aunt Linnie Kidd" (pronounced LINE-E) was "Buck." She knew "Buck" was NOT "William Bing" and knew "Linnie" was not #1 Fannie (Kidd) Fuggett. Mercedes said Linnie died in Hope, AR about 1970 at age 103. Linnie had lived in Blevins, AR around 1945 with a daughter, who had married "Georgie? Thompson," a shoe cobbler. Ron Sweat was able to say Delina lived with her daughter and her husband, George Thomas, in Blevins around 1945. Thomas was a shoe cobbler.

Danny's note: "Linnie" was important to me because she had signed Mrs. Florence Reese's "birth certificate" (Mrs. Reese was about my grandmother Betha (Oliver) McRoy's age). Mrs. Reese had signed the affadavit for my mother, Adell (McRoy) Stewart, to get her delayed birth certificate.

For further study:

I found no matches in the 1830 Texas Census for this family.

These listings are from the Delaware Census:

1820	Kidd, George	New 128	Mill Cre.
1810	Kidd, George	New 171	Christia.
1810	Kidd, Joseph	Kent 064	Mispilli.
1810	Kidd, Thomas	New 176	New Cast.
1800	Kidd, George	New Castle 189	

Male: (1) under 10, (1) 10-16, (1) 26-45
Female: (1) under 10, (1) 26-45.

There were no listings for Kid or Kidd in the 1790 Delaware Census (reconstruction), which doesn't really indicate the absence of the family at that time -- they just may not have been on the tax lists. I also found no Kidd listings in Delaware Wills from 1682-1800.

(Note added 12/1990: Need to search the MD Census and wills).

A Texas marriage license was issued in Galveston on 9/4/1842 to George H. Kidd to marry Elizabeth B. Morris.

The cemetery listings for Pike County, AR give the dates of birth and death for Thomas and Sarah Kidd and includes both given names (Sarah Jane) for Sarah. Here is another listing, yet unidentified as to whether or not related:

Martha Kidd (3/8/1871-10/19/1874) bur. College Hill.

Oliver History, July 1, 1974 listed Sarah (Westerman) Kidd's date of birth as 9/15/1828.

The following marriage licenses were issued in Clark Co. AR:

John C. Kidd, 24, to Hula T. Wells, 16, on 8/5/1874.
Richard Kidd, 38 to Charlotte Neal, 35, 1/13/1883.
Georgia Kidd, 18, to Aing(s)? Jackson, 21, on 7/28/1897.

The following marriage licenses were issued in Hempstead Co. AR:

James T. Kidd, 22, district of York, S.C. to R.J.E. Phillips, 15, at the residence of R.P. Phillips,
11/11/1860.

Josiah B. Kidd, 24, to Miss Nancy Ann Evans, 21, 7/1/1854.

Conrad Kidd and Mark Clark). Mary Clark is the daughter of William Clark and Adeline

"You also have a marriage for James Tillman Kidd. He is the brother of my John Clark Kidd."

"We know that James Tillman Kidd and another brother came to Hempstead Co. before 1870. John Clark came about 1870. We have not found him in the Censuses."

"Elijah Clark came to Hempstead County. He is related to Mary."

Research Notes:

George Mouser (Sr. and Jr.) were on the 1819 Tax List of Montgomery Co. MO.

Even though George II's parents moved from Missouri to Mexico in 1822, George II and Phoebe (married 1817) stayed in Missouri. They left with their five children around 1825-1826 (#5 b. MO 1825, #6 b. AR 1826) and settled in AR.

John Mouser Sr. was the admnistrator of the estate of George and Phoebe Mouser, deceased, in Hempstead County, AR in 4/1875. This is the only reference I've found to a "John Sr." His son, however, is John Davis Mouser.

In 1860, George and his six sons were prosperous. George freed his nine slaves before the Civil War.

This information from A Genealogy of the Mouser Ancestry, mostly chapter 5. (See also: The Mouser Family History..., Vol 1, pp.934-1315.)

Question: Mouser Ancestry p. 122 lists John b. 8-2-1818 MO, d. 10-31-1892 m. 4-26-1836 Anna d. 7-5-1886 AR. Not sure why the above is different.

The 1850 Hempstead County Census lists David Mouser, 25 born MO (c1825) with Sarah T., 20 AR, John B. 2 AR, Mariah E. 7/12 AR. This may be a younger brother of John Mouser.

The 1860 Hempstead County Census reports house D926: Issac Mouser, farmer, age 40 (bc1820 MO), Eliza A. 32 VA) and seven children. According to a note in the census record, this is Elizabeth Brummel (b. 2/1828 Mecklingberg VA, d. 6/30/1886 AR) who moved to AR with her father in 3/1835. Married 11/6/1844. Issac Mouser may be an older brother to John Mouser.

The 1820 Missouri Census lists George Jun. Mouzzer in Montgomery County. I haven't yet looked up the listing or for wills, etc.

1860 Sevier County Bear Creek Twp: David, 35, MO farmer; Sarah, 32, AR; John, 13, AR; Mariah, 11, AR; Martha A., 8, AR; James B., 6, AR/

1870 Sebastian County: David, 44, MO farmer; Sarah, 43 AR; John, 23 AR; James 17, AR; Nancy, 11, ?; Henry, 8, ?; Sarah Roberts, 3, AR [is this a granddaughter?]

Research Notes:

Most of the Census information spells "NATHIONAL." He was a very early settler of Hempstead County, now part of Columbia County.

Elizabeth Nations, 78 (b. c1792 SC), was living with Sarah Nations (prob. wife of Willis) in 1870. Also, 2-4 Athenire, 2-10 Sarah and 2-11 Lucinda.

The 1860 Columbia Co. Census shows #1 Levi and Elvira with Lucretia, Sarah, William, Joel, Nancy, Willis, Martha, and Simon. The 1870 Census shows Levi and Sarah with Nancy, Martha, Levis S., and Mary Tillery and Francis Tillery.

The 1860 Columbia Co. Census shows #2 Willis and Mary (b. 1827 TN), Susan (1844 AR), and Mary (1848 AR). This does not coincide with the children shown in Chapter 10.

The 1860 Columbia Co. Census shows #9 J.B. (1834 TN), MA (1834 TN), Mary (1855 AR), John H. (1856 AR), Amanda (1858 AR). The 1870 Census shows Jesse (1830 AR), Margaret (1835 AL), Mary E. (1855 AR), John H. (1857 AR), Willis C. (1861 AR), Martha B. (1853 AR), Lovisut J. (1865 AR), Daniel J. (1868 AR).

I had researched some of the names from the Census and had clues they were related. Several confirmations are from Pat Weaver. Other references, which I have not yet checked, include:

- * Mrs. Dorothy Gray, 759 Seminole Dr. DCB, Granbury, TX 76046, Phone 817-326-4217 (4/8/88) (also a descendent of Willis C. Nations).
- * Marjorie Hyatt, Box 37, Smiley, TX 78159, Phone 512-587-3126.

Anna and Willie (sister and brother) were married on the same date by Absolom Mading. A Genealogy of the Mouser Ancestry reports this was a double wedding.

#2 Willis C., #3 William, and #11 Daniel all fought in the Civil War for CSA. Willis was a waggoner.

#6, Phoebe Nations and John Clawson married at home of William Nations (#3, her brother).

#7 Althaniel Nations married Benjamin Crabb at home of Nathaniel Nations (her father).

According to information received from Patsy Weaver, Nathaniel was a corporal in the War of 1812; Lt. Colonel in Blount Co. 1818.

He was a fur trader who came to Hempstead/Columbia County Arkansas from Walker Co. AL in 1835.

Columbia Co. AR marriage licenses:

- * Lenicy/Levicy Brister, 16 (b. c1840), to Issac Nations, 21 (b. c1835) on 12/11/1856.
- * G.W. Brister, 27 (b. c1831) to Mary Nations, 21 (b. c1837) on 1/6/1858 bu W.C. Nations, J.P.

Research Notes:

The 1850 Census of Pike County AR taken on 12/12/1850 lists house 302 in Thompson Township: Sarah Oliver, 42 NC, John W. 17 TN (farmer), Nucern 15 TN, Gabrel 14 TN, Charlotte 12 TN, Margret 10 AR, Martha 7 AR, Asa 2 AR, Emily 2 AR. Judging by the dates of birth, Asa and Emily are probably twins. See Chapter 13 for the house next door (Lidy Coker).

The 1870 Pike Co. Census shows #D118: Charlotte Oliver (#4 above), 28 TN (I show 32), Emily Oliver (#8 above) 22 AR cotton mill, and Mary Hutson 22 AR cotton mill.

The 1870 Pike Co. Census shows #D123: Asa P. Oliver 23 AR cotton mill, Elizabeth 25 AR, John H. 2 AR, Wm. F. 7 mo. AR.

Oliver History, July 1, 1974, includes the detail on the Asa Oliver family. I assume it was furnished by Myrtle (Oliver) Galloway. Emily was not in this list (may have died young).

This is from David Kelley, PO Box 741896, Dallas TX 74374 972-907-2344, a0009792@airmail.net, (11/22/96):

William H. Oliver died prior to the census enumeration and is listed in the 1850 Mortality Schedule.

There is evidence that William H. Oliver married twice. William H. Oliver married Sarah A. Wilson on 7/21/1846 in Giles County, TN. There is a five-year age gap between Martha Oliver born c1843 and William Asa Oliver c1848. **SARAH** (b. c1808 NC), Henry's wife at death, is enumerated in the 1850 Pike Co., AR Census, Thompson Township, 302-302.

William H. Oliver is not named in the 1845 Pike County, AR tax list. This may be an indicator he was not in the county during 1845. The approximate five year age gap 1843-1848 of his children enumerated in the 1850 Pike County, AR census gives the possibility a wife has died and a marriage in his name (William H. Oliver) to Sarah A. Wilson in 1846 in Giles County, TN suggests a subsequent marriage. He is also not named in the 1847 Pike County, AR tax list.

Research Notes:

John Coker may/may not have been the father of some/all of the children. Until I can find evidence to the contrary, I am assuming he is the father of at least the first two children (who are a year or so apart) -- otherwise I have nothing on which to base further research.

"Some people think Lydia Coker was a Davis before marrying John Coker and he left her around 1830. They think her mother was Stacey Davis," according to Lucille Westbrook, a volunteer at Southwest Arkansas Regional Archives in Washington, AR, who has studied the family.

There was a John Coker was in Arkansas in 1840 (my notes didn't say where).

The 1850 Pike County AR Census lists Lidy Coker, 34 IL, A.T. (male, laborer) 15 AR, Loucinda J. 13 AR, Stacy (female) 9 AR, and James T. 3 AR. They were in Thompson Township, house number 301 (page 396). No husband. The census was taken on 12/6/1850. See Chapter 12 notes for the house next door (Sarah Oliver). The name #5 Nancy Coker was included in Oliver History, July 1, 1974 and the dates (I think) come from notes on a Census listing I saw.

1870 Pike Co. Census lists Lydia Coker 54 AR 300 acres, John H. Elem 17 AR farm labor married August, Nancy A. (Lidy's daughter) 16 AR married August.

Research Notes:

According to notes written by Tom Kidd or Howard Kidd on Howard Kidd Real Estate stationery:

(These notes were furnished to me by Ronald Sweat)

Samuel came with (at least) his father and three brothers to Delaware from England. The mother and sister died when Thomas was young. Then, Thomas and the brother lived with their uncle, "a brother of his mother," (who would have to be ___ Boone.) on a farm near the city of Baltimore (see Chapter 29).

Samuel then "moved to near the line of North and South Carolina, married and reared a large family." Thomas "stated that he never recalled seeing his father but once and that was an occasion when he visited them and he sat in his lap and was eating a ginger snap."

"In 1839 Thomas Kidd left the home of his Uncle and came down through Virginia, North and South Carolina and passed within a few miles of where his father lived and talked with a man that was well acquainted with his father, and stated that his father had eight children by his second wife." The notes stated "Grandpa" (Thomas) "did not visit him and never did here from him any more. Ron Sweat commented to me this may have also been in the Paducah, KY area (which is only a few miles from the Mississippi River).

"In his roaming around he finally came to Cairo, Illinois, and worked upon a steamboat for two years that was running on the Mississippi." (Note: Cairo IL is only a few miles from Paducah, KY).

"Thomas Kidd and Sarah J. Westerman were married July 17th, 1849, in Crittenden County, AR. They remained there for about one year and then came West and stayed awhile in Pike County and did some work at Center Point, Arkansas, at a tannery, and then moved to Texas, remained there for two or three years and then came back to Arkansas and remained for a short time. He then returned to Texas, spent two years and returned to Arkansas and settled three miles Northwest of Murfreesboro in 1856 and remained there, except the time that he spent in the Confederate Army, until his death January 1, 1895."

Ron Sweat mentioned to me that they were told a story that Thomas and Sarah met when Thomas pulled Sarah out of the river after she had fallen in.

Other Research:

None at this time. Obviously a lot of Census work to do.

Research Notes:

#4 Moses Fugate Westerman line

from Charlotte Howell Berry, Phoenix AZ, 12-26-1999 (charlarr30@aol.com).

1. For now, I have changed the spelling of the name Fuggitt to Fugate only in this line.
2. William Buckley and Nancy A. (Kelly) Buckley. Children:
 - a. Elizabeth Evaline Buckley (see Moses Fugate Westerman, above).
 - b. Frances Buckley m. James Monroe Long – those are Charlotte's gg-grandparents.
 - c. Joel Embrey Buckley m1. Martha E. Whittington [note: see author's Stewart history, Chapter 14, number 3]. m2. Lydia Charlottia Oliver (see Chapter 6, number 5).
 - d. Many others

From notes written by Tom Kidd or Howard Kidd on Howard Kidd Real Estate stationery:
(furnished to me by Ronald Sweat)

Francis' maiden name is Fuggitt.

Previously, I had used "Tammy" as her nickname (that name from Census records, etc.).

The notes say "Clifford D. Westerman came from the Southeastern part of the states and I am not sure, but I think he came from Georgia or Alabama. It is said by people here in Murfreesboro, who were well acquainted with him for many years, that he was a half breed Cherokee Indian."

The notes continue "most of the Fuggitts resided in the Southern part of the State of Missouri."

"This couple settled in Shelby County, Tennessee. That is the point where grandmother" (Sarah Jane) "was born and they resided there until she was about grown and moved to Crittenden County, Arkansas, where she said she met the greatest man she ever knew, Thomas Kidd."

Ron Sweat told me he had heard a story that Sarah had fallen into the river and Thomas pulled her out and that's how they met.

"The Westermans, as you knew, moved to this country and settled in the forks of the river and they and their pesterity have been raising H--- ever since they landed in Arkansas."

In his letter to Della (Kidd?) at the end of these notes, Tom Kidd commented "You probably do not know it, but grandfather and grandmother Kidd were the parent of eleven children. I just do remember grandpa Kidd and him visiting us and us visiting him. But we all remember grandma and how she would urge us children to go to school and take advantage of every opportunity."

Sarah Jane (Westerman) Kidd's Bible (in the possession of Howard Kidd) contains the names, dates of

birth and death, and marriages for many of these listings and added the name "Lydia" to the list I found in the Census and completes the name "Marcus Lafayette."

Clifford Westerman may have been a half-breed Indian. He seems to have a reputation of being an "outlaw."

Other Research Notes:

The listing for Moses Westerman is based on Census information, I had listed Elizabeth as Mose's wife. After getting listings from Sarah Westerman's Bible which does not show a marriage to "Elizabeth __," I have decided Elizabeth must be a daughter, but date of birth for Elizabeth doesn't match up with date of marriage of Moses and Jane. Charlotte Berry (charlarr30@aol.com) tells me (12-26-1999) that Elizabeth is on the 1870 Pike Co. Census in Moses' household.

The 1850 Pike Co. AR Census lists C.D. 45 KY (carpenter), Francis 42 VA and children Sidy 19 TN, Moses 17 TN, Jesse 15 TN, Nancy 13 TN, Newton 11 TN, William 9 TN, Lafayette 7 TN and Francis 5 TN in house 191 along with Thos Kid 27 Farmer MD and Sarah Kid 20 TN. House 192 is John 23 TN, Rodey 23 TN, Zaurey 2 TX and George W. 1/12 (? for place of birth). These listings are in Thompson Township and were enumerated on 11/15/1850.

1870 Pike County Census listings:

D#146: Westaman, Clifford D. 55 KY carpenter 600, Tammy 61 VA, Tamy M. 22 TN.

D#37: Moses F. Westerman 37 TN carpenter, Elizabeth C. 19 TN, Granville J. 14 AR, Thomas 4 AR, Etter 2 AR.

D#142: (next to John Oliver and Thomas Kidd): Marcus Westerman c1845 TN, 150 acres, Lucaeney A. c1848 TN, John W. c1866 AR, Lutha A. c1868 AR and Elizabeth Scarbough c1850 AR (Lucaeney and Elizabeth may be sisters?).

??? "Newt" shows the children Wm J., Amanda M., George, Sarah J., and Mary A. Stringer (1852 AR). 500 acres.

The 1830 Tennessee Census lists these families:

Westerman, Charles	Henderson Co.	01120001-01001001.
Westerman, Easter	Lincoln Co.	01120000001-0120001.
Westerman, John	Perry Co.	111101-02001.
Westerman, William	Henderson Co.	122000001-010001.
Westerman, William	Bedford Co.	000030001-00002.

The codes represent male-female in age groups 0-5, 5-10, 10-15, 15-20, 20-30, 30-40, 50-60, etc. Sarah would have been 5-10 during this time, which rules out the Westerman listing. It is possible that Charles and William (both Henderson County) are brothers. The first listing above can probably be ruled out. I think it includes Charles (age 50-60) John (b. KY age 10-15), Eliza (age 5-10) and Mary (b. NC age 40-50). I have not looked for the Westerman families in 1840 Tennessee Census.

I did not find any matches in the 1830 Texas Census, however, I did not look for #1 John.

Pike County, AR Cemetery records show the following Westerman burials in College Hill Cemetery:

Della (8/20/1909-?)

Ervin (1/1/1879-10/10/1937) (Manerva according to Ron Sweat).

Will (8/21/1861-1/1934) (maybe 7-1?)

Phoebe Best and Margaret Best are sisters. See Chapter 21.

George lived in the Missouri River bottoms near Americus, moving there with his parents from North Carolina in 1810.

In 1817, George Mowser was listed in a Montgomery Co. MO (male 45+, male 18-45, two males under 18, female over 14, female under 14, no slaves). Next door was John Best and two houses away was Issac Best (see chapter 21).

George Mouser (Sr. and Jr.) were on the 1819 Tax List of Montgomery Co. MO.

Mary Smith's father was probably **Ger Heinrich Schmidt** or Henry Smith (page 67).

George & Mary and their three youngest children arrived on the Brazos River in Mexico on 12/31/1822. They owed 8,000 acres of land on the river. (See also, the Best family in Chapter 21).

#2-1 David Mouser moved from Mexico to Hempstead County, AR by 1830, evidently to be with his older brother, George II.

Research Notes:

Issac Best was one of the original "300" colonists brought to Texas by Stephen F. Austin. These words appear on a marker in his honor in Walker County, Texas:

ISSAC BEST (1774-1837)

One of the "Old 300" settlers of the Austin Colony. Spent Early Life in Pennsylvania and Kentucky. Moved (1808) to Missouri. There he built a mill and Best's Fort, which was a pioneer refuge from Indians, particularly during war of 1812.

About 1824, with his wife Mary Margaret Wilkins Best (1776-1852) and several of their nine sons and daughters, he came to Texas by wagon train. On August 19, 1824, he was granted land east of the Brazos and about 30 miles north of Austin's capital, San Felipe. He sold that, bought other tracts, later owning about 8,000 acres. Best Creek (.5 mi. W) bears his name.

Marker approved 1973 by Texas Historical Commission.

In 1817, Issac Best was listed in a census of Montgomery Co. MO (male 18+, four males under 18, two females over 14, 1 female under 14). Next door was John Best (male 18+, two female 14+). Two houses away was George Mouser (See Chapter 20).

Five of their nine children arrived with them on the Brazos River in Mexico on 12/31/1822. Phoebe was not one of them. Margaret was one of them (See Chapter 20).

Found a note about "Best's Bottom" in Montgomery County, Missouri.

I once made a note that the names (?) were similar to the names of Isacc's brothers:

John

 Stephen

Issac Jr.

 Humphrey

 Ebenezer

 Polly

Phoebe

JOSEPH NATIONS and PHEBIE (NELSON) NATIONS
(Parents of Nathaniel Nations)

JOSEPH NATIONS m. **PHEBIE NELSON**. Lived in Walker Co. AL. Probably died c. 1835. Children include: Nathaniel.

Children: Levi, Willis, William, Anna, Frances, Phoebe, Althaniel, Jemima, Jessie, Daniel. See Chapter 11 "The Family of NATHANIEL NATIONS and ELIZABETH (BROWN) NATIONS."

Research Notes:

Several Nation/Nations families are listed in the 1830 and 1840 Alabama Census. I have not yet checked into them or for wills, etc. The 1840 Census will list children's names.

	Nations, Nathaniel	Walker Co.
	Nations, Thomas *	Blount Co.
	Nations, Thomas	Jefferson Co.

* Appears in both the 1830 and 1840 Census.

Possibilities:

Joseph Nations may be Joseph W. Nations, Jr., son of Joseph W. Nations, Sr., who is the son of John Nations, Sr. who married Bithian Robins. I received this note from Patsy Weaver and the original source was Loye E. Nations, 1110 Edgefield Street, Columbia SC 29201.

I have a reference to a marriage of Issac Nations to Lucy Owens of the same general age as Joseph (Nathaniel's parents).

I also have a note that Nathaniel "seems to be related to" Eli, James, and Bayles. This is probably the thoughts or hopes of a researcher. Abraham, Daniel, John, Joseph and Joseph all "seem" to me to be connected, since they all lived in Walker Co. AL.

Stacia Davis appears to have remarried by 1824. She is referred to by the name of Stacy "Right" or Wright in the minutes of the Clark County, Arkansas Circuit Court, March Term 1824, where she is the administratrix of the estate of her late husband. In court records for 1825, 1826 and 1828 she is identified as Stacia Davis and in subsequent records throughout her life although there is a marriage of Stacy Davis to Richard Linville in Clark County, Arkansas on January 29, 1832. Stacia Davis had another son John Millard Davis born September 7, 1827 whose father is not known. John M. Davis would later become Sheriff of Pike County, Arkansas.

APPENDIX B
THE ANCESTORS OF STEPHEN BEST, SR.
(An extension of Chapter 42)

JOHN BEST of George, Canterbury, a tailor, sailed on the ship "Hercules" from Dover, England, and arrived in Maryland in 1634 or in 1671 (makes more sense with age of sons). He may have been a descendent of Sir Richard Best. John had at least three sons:

STEPHEN BEST, SR. (b. c1735-1738), the subject of chapter 42.

HUMPHREY BEST.

JOHN BEST.

The children were probably born in Maryland or Pennsylvania. Around 1780, they probably moved from NC to KY.

APPENDIX C
THE ANCESTORS OF SARAH (HUMPHREY) BEST
(An extension of Chapter 42)

SARAH HUMPHREY's (chapter 42) parents were:

ISSAC HUMPHREY (b. 1724 MA) and **MARY WISWALL** (b. c1724 MA).

ISSAC's parents were:

JAMES HUMPHREY, JR. and **JANE URENE.**

JAMES JR's father was:

JAMES HUMPHREY, SR.

JAMES SR's father was:

JONAS HUMPHREY, who moved from England to Massachusetts in 1605 or 1634 (near the Potamic River).

MARY's parents were:

EBENEZER WISWALL and **MARY CAPEN/COPON/COPEN** (b. MA).

EBENEZER's father was:

THOMAS WISWALL of Massachusetts (b. c1650).

MARY's father was:

Reverend **CAPEN**, who built a house in 1683 in Topsfield, MA. The house is still standing (c1978).

These names are from pages 368-378 of [A Genealogy of the Mouser Ancestry](#).

**APPENDIX D
A HISTORICAL HERITAGE**

North Carolina was the first colony to instruct its delegates to the Continental Congress to vote for independence from Britain.

Here are excerpts from the "Tyron Proclamation."

August 15, 1775.

We therefore, the subscribers, freeholders, and inhabitants of Tyron County, do hereby, faithfully unite ourselves under the most sacred ties of religion, honor and love to our country, firmly to resist force by force in defense of our national freedom, and constitutional rights against all invasions, and at the same time do solemnly engage to take up arms, and risque our lives and fortunes in maintaining the freedom of our country.

Whenever the wisdom and council of the Continental Congress on our Provincial Convention shall declare it necessary, and this engagement we will continue in and hold, sacred till reconciliational principles, which we most ardently desire.

Its 48 signers are truly some of the "Fathers Of Our Country." The signers include Fried Mouser and Samuel Smith. Johann Frederick "Fried" Mouser's family is in chapter 20. Samuel Smith is thought to be the father of Mary Smith, who married George Mouser (chapter 20).

(Many of these persons are our ancestors!)

Almost a year later, this document was prepared and signed:

In Congress, July 4, 1776, The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with one another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.--

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness--

That to secure these rights,

And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

The persons signing it include John Hancock, John Adams, Samuel Adams, Benjamin Franklin, and Thomas Jefferson.

(To my knowledge, none of these persons are related to us).

INDEX

Women are indexed by their maiden surname. If the maiden name is not known, they appear at the top of the list under the married surname (in parenthesis). Only a few references in footnotes and research notes are indexed.

A name may appear on a page more than once even though it is only referenced once in the listing. If two or more persons have identical names, only one listing will appear for the name.
